

# Year-Round, Full Service Partner.

DeHamer Landscaping continues its passion for both the products and the finished landscape as one of the best full-service landscape contractors serving homeowners, builders and commercial clients year-round in West Michigan.

## Landscaping

Landscape designs that combine natural beauty with function and sustainability.

## Lawn Care

Mowing, fertilizer and weed control, perimeter pest control, mosquito spray and more!

## Irrigation

System installations and service packages tailored to your property and our climate.

## Snow and Ice

Commercial snow & ice management. Parking lots, driveways, sidewalks.

## Let's Connect.
